Hand Sanitizer

COVID-19 has changed the way we interact and a few simple efforts can have a huge impact!

UCI is now offering bottles of hand sanitizer to help you stay safe during this difficult time.

Have your company name or logo
UV printed directly on the hand
sanitizer bottle.

Call for pricing!

(Must purchase a minimum of 100 bottles.)

Freestanding Protection Shields & Workstation Shields

UCI knows the importance of keeping ourselves and our co-workers protected as the world copes with COVID-19.

We also understand that returning to work will likely be different and the focus will be on safety.

Our Furniture and Welding Shops have adapted their offerings to help our customers create a healthy and safe environment as we all adjust to the “new normal”!

Freestanding Protection Shields

\$190.00 = 30" W x 60" H (acrylic size)
\$270.00 = 30" W x 72" H (acrylic size)
\$270.00 = 47" W x 60" H (acrylic size)
\$320.00 = 47" W x 72" H (acrylic size)

Steel Base*
2" x 2" Steel Post w/Handle*

*Base & Post come painted in Black or Silver.

All shields are made with 1/4" acrylic.

Workstation Shields

\$65.00 = 30" W x 23" H (acrylic size)
\$85.00 = 47" W x 23" H (acrylic size)
\$80.00 = 30" W x 30" H (acrylic size)
\$105.00 = 47" W x 30" H (acrylic size)

1 Acrylic Shield
2 Stabilizing Acrylic Feet
(shield made with “pass-through” opening)

All shields are made with 1/4" acrylic.

Social Distancing Kit

UCI understands how important it is for businesses to keep their employees and the community safe.

These kits are a great way to help your patrons maintain social distancing during the COVID-19 pandemic.

These slip-resistant vinyl floor stickers are also a great way to display your company name or logo! (\$4.50 per square foot)

**Social Distancing Kit includes:
5 markers (12" diameter each)**

PPE GOWNS

To help combat the Coronavirus and keep our customers safe, the UCI Sewing Shop is now offering protective gowns.

Whether you're on the front lines or in another environment where exposure is a concern - taking every precaution is a smart decision!

Nylon Gown

Our new nylon gowns are washable and reusable. They come with elastic bands around the wrists, a nylon waist cinch, and nylon ties for the neck area.

Polypropylene Gown

Our new polypropylene gowns are disposable and come with elastic bands in the wrists, a polypropylene waist cinch, and polypropylene ties for the neck area.
